

Avre Tu Puerta

Avre tu puerta cerrada
Qu'en tu balcon dinguna luz no hay
Ma el amor que yo atì mi bella
partemos juntos de aqui.

Open your door
There is no light on your balcony
But love binds me to you, my beauty
Let us go away together

Si es por agradarte
Na la mi sangre pronta por vertir
Si la mi sangre no te puede convencer
Na la mi muerte con gran plazer.

If it pleases you
Have my blood spilled for you
If my blood can't convince you
Have my death, with pleasure.

Por las calles que tu iràs
la mi solombra te arrelumbraràs
Y "ahes" muchos echaràs
cuando de mi te acordaràs.

As you wander through the streets
My shadow will light the way
You will sigh many times
When you think of me.

All Is At Rest

All is now still
And all is at rest
Sleep shall now fill
Your eyelids blessed
Outside murmurs gently the breeze
And sings its song among the trees

Polorum Regina

Polorum Regina omnium nostra,
Stella matutina, dele scelera.

Ante partum virgo deo gravida
Semper per mansisti inviolata,
Stella matutina, dele scelera.

Et in partum virgo deo fecunda.
Semper per mansisti inviolata,
Stella matutina, dele scelera.

Et post partum virgo mater enixa.
Semper per mansisti inviolata,
Stella matutina, dele scelera.

Los Set Gotx

Ave Maria, gracia plena,
Dominus tecum, virgo serena.

Hail Mary, full of grace,
the Lord may be with you, serene virgin
