

## The Christ Child's Lullaby

My joy, my love, my darling child.  
My treasure new, my rapture you  
My comely beauteous baby son,  
unworthy I to tend such one.  
Hallelujah, hallelujah.

Bright son of hope and light you are.  
of love your heart and eye are made  
Tho' but a tender babe I bow  
In heavenly rapture down to you,  
Hallelujah, hallelujah.

---

## Bayushki bayu

Sleep my baby,  
I will lull you,  
Bayushki bayu  
High in heaven the moon shimmers  
brightly  
And the little stars twinkle too.

Through the gorges and the country  
Rivers quietly stream.  
Father's riding in the moonlight  
Coming home to you.

---

## O Lord, abide with us

O Lord, abide with us  
For eventide overtakes us  
and the daylight swiftly fades away

## Adio Kerida

Adio, Adio Kerida,  
no kero la vida,  
me l'amargastes tu.

Tu madre quando te parìò  
i te quitò el mundo  
corason ella no te diò  
para amar segundo,  
corason ella no te diò  
para amar segundo.

Va buscate otro amor,  
adarva otras puertas  
aspera otro ardour  
que para mi sos muerta,  
aspera otro ardor,  
que para mi sos muerta.

## Lullay, my child (chorus)

Lullay, my child and weep no more  
Sleep and be now still
