

Porke yorash blanca nina

Porke yorash blanca nina
porke yorash blanca flor
yoro por vos kavayero
ke vos vash y me deshash.
Todas las naves del mundo
vayan y tomen en paz,
y la nave de mi ijo
vaya y no torne mas.

Why are you crying white girl?
Why are you crying white flower?
I cry for you, caballero
who is leaving and leaving me.
All the ships of the world
come and go in peace,
but the ship of my son
goes and never comes back.
